

1680D PVC coating PU coating 100% polyester waterproof Oxford fabric is a high-performance textile material. 1680D Oxford fabric, also known as 1680D double thread Oxford fabric, is a textile fabric with strong tensile strength, wear resistance, high density, and strong waterproof properties. Extremely strong tear resistance, strong vertical texture, high strength, and excellent durability. The double stranded raw material gives Oxford fabric a great glossy effect and better reflective effect. The waterproof performance is excellent, and the bags made of it only need to gently wipe off the water droplets when they are sprayed with water, without seeping into the interior. High wear resistance, in the grinding wheel scraping experiment, the fabric does not wrinkle, pilling, and has no phenomena such as detachment and fracture. The larger the number before D in Oxford fabric, the thicker the yarn in this Oxford fabric, and the thicker the fabric in 1680D Oxford fabric. Waterproof and rainproof products made of 1680D Oxford fabric are more sturdy and have better water resistance than other D Oxford fabrics. Sports field: Common protective equipment such as knee pads and elbow pads in sports such as basketball and football. Industrial sector: Industrial grade protective equipment such as helmets and gloves that construction workers need to wear. Military field: Excellent protective backpacks and other equipment equipped by military soldiers when traveling. Daily life: accessories such as computer bags and travel cases. 1680D Oxford fabric has been widely used in multiple fields due to its excellent properties such as high strength, wear resistance, and waterproofing. Whether it is outdoor equipment, industrial products, or daily necessities, 1680D Oxford fabric provides users with a better user experience with its unique advantages.

Attributes

Item name:	1680D With PVC/PU coating
Supply Type:	Make-to-Order
Material:	100% Polyester
Thickness:	Medium Weight
Feature:	Waterproof, Tear-Resistant, Shrink-Resistant, stain Resistant, Water Resistant
Technics:	woven
Width:	58/60"
Pattern:	Coated
Coating:	PVC/PU coating
Type:	Oxford fabric
MOQ:	1000 Meters
Usage:	Tent Bag, Luggage, Beach chair
LOGO:	ZJH
Size:	148cm Width
